

FREE SERVICES FOR YOUR BUSINESS OR PROPERTY

Arlington Transportation Partners

Arlington Transportation Partners (ATP) is your guide to sustainable transportation options in Arlington County. All services are complimentary and add value to your organization's commuter benefits and amenities.

TRANSIT BENEFIT GUIDANCE

As the County's experts for the qualified transportation fringe benefit (IRS Section 132f), ATP can help your business add a transit benefit or upgrade your current benefit offering.

Implementing a full, pre-tax, or combination benefit is simplified through our guided approach.

EMPLOYEE & WELLNESS EVENTS

In collaboration with BikeArlington and WalkArlington, ATP can coordinate and support curated on-site events for your organization including:

- Tabling Events
- Biking Classes
- Hands-on Walking Workshops
- Tenant Roundtables
- Bike Tune Up Events
- Trainings and Presentations

COMMUTER SURVEYS & MAPS

Are you considering updating your commuter benefits or amenities? ATP partners with Mobility Lab to develop custom commuter surveys and density plot maps to inform decision makers.

Based on results, we build a report and presentation with recommendations to best serve your goals.

CUSTOM RESOURCES & BROCHURES

ATP has a variety of guides, brochures, and toolkits to assist employers and properties with their transportation needs. Additionally, ATP can create resources tailored to your organization such as:

- Transportation Information Packet
- Employee Commute Planner
- Quick Glance Guide
- Bike Registration Form
